MEMORANDUM FOR:

25X1

SUBJECT

: MC&G Request for COMIREX
Clearance Billet

1. Amidst all the sound and fury from the services on "packing" the COMIREX billet structure with assorted camp-followers, one case has my sympathetic attention. [redacted] has made a strong plea to lodge his indispensable leg-man for MCGWG matters under a COMIREX "cover" billet-- DIA declines to allot one.

2. I feel we are warranted in carrying one [redacted] under our wing as Executive Secretary of the MCGWG with justification for [redacted] clearances.

3. I'll send a copy of this to [redacted] -so now what?
